

Novel coronavirus (2019 n-CoV)

TRAVELLERS' ADVICE

You are returning from an area affected by **the novel coronavirus**

In case of fever, cough, breathing difficulties within 14 days following your return:

- Avoid contacts with other persons
- Wash your hands regularly
- Wear a surgical mask

Quickly contact the **SAMU** (french emergency medical services – **dial 15**), and mention your travel.

Do not go directly to your GP's or the hospital.
